

Print out your insurance card

Your insurance card is your security on the journey

If you are overseas and suddenly need to contact Europæiske ERV Alarm in connection with an accident for example, it should be easy, fast and clear.

How-to

Fill out and print your insurance card. Cut it out and bring it along when traveling.

Have a nice journey!

To the insured
Contact Europæiske ERV Alarm if you become ill, hospitalized or in any other way need immediate assistance abroad. We will assist you and direct you to the physician and hospital closest to your location. Contact your local Euro-Center if you need additional assistance.

To the physician and hospital
Europæiske ERV Alarm must be notified immediately in the event of hospitalization or in case of possible repatriation. If requested, Europæiske ERV will verify benefits.
